Part-time in-home childcare Central West End, MO

Job Location
63108, Central West End, MO, USA

Description
Come spend your days helping a curious toddler learn, play, and explore in a screen-free home!

A Central West End family is looking for an experienced nanny to take the lead in caring for their one-year-old. This is a great opportunity for someone who enjoys creating a fun, engaging day for a toddler, whether that means exploring new activities at home, getting outside, or heading out for an adventure nearby. Forest Park is close by, offering plenty of opportunities to get out and explore.

Both parents work from home in separate offices, so they're looking for a nanny who is comfortable taking charge of the day and making decisions independently. Their home is screen-free, and they value consistency, reliability, and a nanny who will become a familiar, trusted part of their child's routine. There's also a family dog to keep you company!

The family is looking for someone who:

- Has hands-on experience caring for toddlers
- Enjoys planning activities that encourage learning, play, and exploration
- Is dependable and values a consistent schedule
- Is comfortable taking a one-year-old on outings in the neighborhood
- Is current on standard vaccinations

If you love this age and enjoy giving toddlers a day filled with play, discovery, and new experiences, this could be a wonderful fit!

TLC Family Care is looking forward to connecting this family with their next great nanny.
